OFFICIAL SAMPLE BALLOT

VOTE EARLY

Dear Voter,

EARLY VOTING starts on **MONDAY, MARCH 5TH** at three locations near your home. They are illustrated on the maps included in this brochure. Also included are the hours they are open.

For your convenience, we have attached a Sample Ballot with the names of the local candidates that have met the high standards our organization imposes on candidates in order to receive our endorsement.

Political analysts predict the voter turnout this year will break records due to the dissatisfaction of the electorate in the way our Federal and State governments are being run. Therefore we have left the choice up to you on the Federal and Statewide candidates.

Our homes have been devalued yet our real estate taxes continue to rise. That is one reason why we have placed the emphasis on local candidates like **SAM TORNATORE**, **DINO GAVANES** and **JIM MENDRICK**. These candidates will play a major role in lowering our local taxes. For example, you will notice on our Sample Ballot an important **PROPOSITION** that will appear on your ballot. These three candidates and our organization support a **YES** vote which, when it passes, will combine two government offices into one thus helping to lower our taxes.

If you are fed up with the current system of government you can't afford to stay home this year. Get out and vote! Get your family members and neighbors out to vote and remember to vote **YES** on the **PROPOSITION** along with your vote for **SAM TORNATORE**, **DINO GAVANES** and **JIM MENDRICK**.
